**To:** Mayor and Members of Council  
**From:** Paige Agnew, Commissioner, Growth & Development Services  
**Resource Staff:** Tim Park, Director, Planning Services  
**Date of Meeting:** January 13, 2026  
**Subject:** Proposed Renaming of a Private Road Known as Bayfield Lane to Skyfal Lane

---

**Council Strategic Plan Alignment:**

Theme: 3. Build an Active and Connected Community

Goal: See above

**Executive Summary:**

A formal request was received by the City from Patry Group, the owners of Frontenac Shopping Centre Inc. and 300 Bayfield Lane Inc., to consider renaming a private road, currently named 'Bayfield Lane', to 'Skyfal Lane'. The lane is located on private property, east of the intersection of Bath Road and Centennial Drive (Exhibit A – Key Map). The lane will be used to provide vehicular access to a new residential development, which is currently undergoing the site plan control process (File Number [D11-026-2022](#)).

The renaming of private roads must comply with the City of Kingston Civic Addressing and Road Naming By-Law Number 2005-98 and emergency service requirements. The by-law states that proposed road names should not duplicate existing road names in the city and should be pleasant sounding, easily recognizable, and capable of clear pronunciation. Staff have consulted with emergency service providers, and they have verified there are no concerns with the proposed private road name.

The proposed change from 'Bayfield Lane' to 'Skyfal Lane' is appropriate and consistent with By-Law Number 2005-98 and emergency service requirements.

The by-law is being recommended to Council for all three readings to ensure that the private road may be re-named in a time frame which aligns with the finalization of the site plan control application. This will ensure that the proposed residential building (Exhibit A – Key Map) may be provided with a civic address which includes the proposed private road name.

**Recommendation:**

**That** "A By-Law to Approve the Renaming of the Existing Private Road from Bayfield Lane to Skyfal Lane, City of Kingston, County of Frontenac," attached as Exhibit B to Report Number 26-016, be presented to Council for all three readings.

**Options/Discussion:****Background**

A formal request was received by the City from Patry Group, the owners of Frontenac Shopping Centre Inc. and 300 Bayfield Lane Inc., to consider renaming a private road, currently named 'Bayfield Lane', to 'Skyfal Lane'. The private lane is located east of the intersection of Bath Road and Centennial Drive (Exhibit A – Key Map). The private lane will be used to provide vehicular access to a new residential development, which is currently undergoing the site plan control process (File Number [D11-026-2022](#)).

**Analysis of Civic Addressing and Road Naming By-Law Number 2005-98**

The City of Kingston Civic Addressing and Road Naming By-Law Number 2005-98 governs road re-naming within the city. The by-law states that proposed road names should not duplicate existing road names in the city and should be pleasant sounding, easily recognizable, and capable of clear pronunciation. The proposal to change 'Bayfield Lane' to 'Skyfal Lane' is appropriate and consistent with By-Law Number 2005-98 and emergency service requirements.

**Road Name Impacts**

There are two properties that will be impacted by the renaming of Bayfield Lane (Exhibit A – Key Map): 1300-1350 Bath Road and 520 Centennial Drive, and 300 Bayfield Lane. The private road is partially located on both properties.

The property located at 300 Bayfield Lane is currently undergoing the site plan control process (File Number [D11-026-2022](#)). The private road will provide vehicular access to a new residential apartment building with 334 homes on the property currently known as 300 Bayfield Lane. In accordance with the Civic Addressing and Road Naming By-Law, the proposed building will be assigned a new civic address which includes the private road name. Emergency services providers were consulted regarding the proposed private road name and have confirmed that renaming the private road from 'Bayfield Lane' to 'Skyfal Lane' would not have an impact on emergency service delivery.

**Signage**

A new road name sign will need to be installed referencing 'Skyfal Lane.' As this is a private road, the property owner will be responsible for the cost of the signage.

**Public Notice**

The City's Public Notice Policy sets out the minimum notice requirements for road renaming within the municipality. Notice is required to be published in the newspaper and the City of Kingston website two weeks prior to the Committee or Council meeting at which the matter is being considered. A notice of intention to rename 'Bayfield Lane' to 'Skyfal Lane' was published

in The Kingston Whig-Standard newspaper and on the City of Kingston website on December 30, 2025.

At the time of writing this report, there were no concerns raised by the public in opposition of the proposed private road name.

### **Climate Risk Considerations**

The proposed private road renaming is not anticipated to affect the climate or be affected by climate change, as the private road currently exists.

### **Indigenization, Inclusion, Diversity, Equity & Accessibility (IIDEA) Considerations**

IIDEA has confirmed that the proposed private road renaming from 'Bayfield Lane' to 'Skyfal Lane' is consistent with their requirements.

### **Conclusion**

The proposed private road name complies with Civic Addressing and Road Naming By-Law Number 2005-98 and emergency service requirements. Therefore, staff recommend that Council approve the attached by-law (Exhibit B to this Report) to rename the existing private road known as 'Bayfield Lane,' located east of the intersection of Bath Road and Centennial Drive, to 'Skyfal Lane.'

### **Existing Policy/By-Law**

The by-law currently governing road naming is By-Law Number 2005-98, "A By-Law to Direct the Orderly Addressing of Buildings and Properties and Appropriate Naming of Roads Within the City of Kingston". The policy currently in place for the naming of Kingston's corporate assets, including roads and parks is the "City of Kingston Naming of Corporate Assets Policy."

### **Notice Provisions**

Notice of Intention to pass a by-law to rename a municipal road is required to be provided in accordance with the City of Kingston Public Notice Policy.

### **Financial Considerations**

The property owner will be responsible for all costs associated with the private road renaming, including signage costs.
