Proclamation Information

Proclamation Name Declaration of Canadian Environment Week

Start Date Monday, June 1, 2026

End Date Saturday, June 6, 2026

How is your proclamation is of interest and/or benefit to the citizens of Kingston?

Since our Mayor has declared Kingston in a Climate Emergency, we think our municipal government would also like to declare the week of June 1-6 as Environment. Seniors for Climate [seniorsforclimate.org] groups across Canada have called on all environment groups to join together to host events that will break the current silence on climate action. A coalition of Kingston environment groups are hosting a celebration of the Earth for families, residents and tourists in Confederation Park all day Saturday, June 6th. We have organized over 40 booths such as live music all day [10 bands], birds, bees, bats, turtles, a green coffin, a welcome booth for new babies, recycling info, visual art, heat pumps, electric vehicles, a puppet show, the public Library, Sustainable Kingston, Wildlife Rescue, nature experts, free face painting, story time under the tree etc.
