2. Motion of Condolences - Walter Fenlon

Moved by: Mayor Paterson

Seconded by: Deputy Mayor Stephen

That the condolences of Kingston City Council be extended to the family and friends of Walter Fenlon, respected business leader, philanthropist, and dedicated community builder whose contributions to Kingston left a lasting legacy. As founder of Fenlon Financial, Walter built a distinguished career in wealth management while remaining deeply committed to civic service and charitable giving. Alongside his wife, Linda Ann Daly, he established the Fenlon Family/Daly Foundation in support of local charities, hospitals, universities, and community initiatives. Walter served in leadership roles with numerous organizations, including Kingston General Hospital, Hotel Dieu Hospital, the Community Foundation of Greater Kingston, and the Grand Theatre Foundation, and was a strong supporter of many important city-building projects. Known for his generosity, mentorship, and dedication to the community, Walter made a profound impact on Kingston and the many lives he touched. His passing is a great loss, and he will be deeply missed. Our thoughts are with Linda Ann, his family, and loved ones during this difficult time.

19. New Motions

1. Dressing Room Equity and Allocation for Ice User Groups, as Amended

Resolution Number: 2026-186

Moved by: Deputy Mayor Stephen

Seconded by: Councillor Amos

Whereas national studies have identified barriers contributing to declining participation among girls and young women in sport, including lack of belonging, inadequate access to safe and equitable facilities, negative

body image, and environments that do not adequately support the needs of female athletes; and

Whereas creating equitable access to appropriate, dedicated, and gender-specific dressing room spaces is an important component of fostering inclusive, respectful, and supportive sport environments that encourage continued participation and retention of girls and women in sport; and

Whereas the City of Kingston's Ice Allocation Policy and Guidelines affirm equitable access to arena facilities for all users regardless of gender orientation (s. 3.13.1), and require booking groups to provide ice use schedules one week in advance to support accurate communication of pad and facility assignments (s. 3.16.1); and

Whereas the Policy does not currently include specific provisions governing the assignment of dressing rooms or defined standards for ensuring consistent application of equitable access considerations; and

Whereas current operational practice relies on booking groups to request required dressing rooms at the time of booking, with City staff assigning rooms based on those requests and documenting them in booking notes and facility communications, including digital signage where applicable; and

Whereas this client-driven process generally functions effectively for most user groups but can result in inconsistency in circumstances where participant composition is not fully anticipated or clearly communicated at the time of booking; and

Whereas private hockey schools and similar commercial skill-development ice users operate outside of formal sanctioned league structures and may have variable participant composition, creating a need for clearer and more consistent dressing room designation practices to support equitable access outcomes; and

Whereas a recent operational review identified issues involving dressing room allocation for a private hockey school booking, highlighting a gap in policy direction for this specific user category;

Therefore Be It Resolved That Council direct staff to review and amend the City of Kingston Ice Allocation Policy and Guidelines to establish clear provisions for dressing room assignment specific to private hockey schools and similar commercial skill-development ice users, and to implement an operational standard whereby City staff assign dressing room allocations for such bookings at the time of booking, including designation of change room spaces to ensure equitable access for all participants; and

Tuesday, June 2, 2026

That Council further direct that all other ice user groups will continue to operate under the existing client-request model, whereby dressing room requirements are identified by user groups and reflected in booking communications and facility signage where applicable; and

That Council direct staff to ensure dressing room assignments for applicable bookings are clearly communicated at the time of booking confirmation and consistently reflected in facility operational systems including digital signage; and

That Council direct staff to review and amend the City of Kingston Ice Allocation Policy and Guidelines to use identity based language and to establish clear provisions for dressing room assignment specific to private hockey schools and similar commercial skill-development ice use; and

That Council direct staff to return to Council with updated policy language and implementation recommendations by the end of summer 2026, for full implementation for the 2026–2027 ice season.

YEAS: (12): Councillor Amos, Councillor Boehme, Councillor Chaves, Councillor Cinanni, Councillor Glenn, Councillor McLaren, Councillor Oosterhof, Councillor Osanic, Mayor Paterson, Councillor Ridge, Deputy Mayor Stephen, and Councillor Tozzo

ABSENT: (1): Councillor Hassan

Carried as Amended (12 to 0)

Amendment:

Moved by: Deputy Mayor Stephen

Seconded by: Councillor Amos

That New Motion 1 be amended in the first operative clause to delete “appropriate space to support equitable access for female participants” and insert thereto “change room spaces to ensure equitable access for all participants” so that the clause reads as follows:

Therefore Be It Resolved That Council direct staff to review and amend the City of Kingston Ice Allocation Policy and Guidelines to establish clear provisions for dressing room assignment specific to private hockey schools and similar commercial skill-development ice users, and to implement an operational standard whereby City staff assign dressing room allocations for such bookings at the time of booking, including designation of **change room spaces to ensure equitable access for all participants**; and

Tuesday, June 2, 2026

That New Motion 1 be further amended by adding the following as the penultimate operative clause:

That Council direct staff to review and amend the City of Kingston Ice Allocation Policy and Guidelines to use identity based language and to establish clear provisions for dressing room assignment specific to private hockey schools and similar commercial skill-development ice use; and
